TRAINING WEBINAR: BUILDING A GREAT CONCEPT NOTE

Improve your USAID grant implementation skills in this specialized training session focused on mastering concept notes writing. Join us to enhance your expertise and maximize your potential in crafting compelling and professional concept notes.

DURING THIS WEBINAR, YOU WILL:

- ✓ Understand **the criteria used to score** concept notes and the **timeline** for application review and notification.
- ✓ Recognize **key elements** that demonstrate a well-prepared concept note, and understand how to avoid common **pitfalls**.
- ✓ Gain detailed insights into the **essential sections** of a concept note, including the cover page, statement of need, objectives, activity summary, budget summary, and organization's background.
- ✓ Receive **post-training support**, including a recording, an FAQ, and contact information for any follow-up questions or concerns.
