

TRAINING WEBINAR: SETTING S.M.A.R.T. GOALS

Enhance your abilities to design and utilize **SMART Goals** through our targeted training session. Use this framework to master clear and concise concept notes and applications for all types of grants.

DURING THIS WEBINAR, YOU WILL:

- ✓ Develop a clear understanding of the **essential components** of the **SMART goal** methodology and how to use it to improve your proposal skills for all types of grants
- ✓ Understand why, in a competitive funding environment, **setting clear and concise goals** is crucial
- ✓ Discover **common criteria** that USAID HRS and other donors frequently use to assess grant proposals
- ✓ Receive **post-training support**, including a recording, an FAQ, and contact information for any follow-up questions or concerns you may have
